Mr. Turley:

I wanted to send you a quick note to let you know how much I enjoyed my hunt at the Turley Ranch. The quality of the game and the hunting was top-notch, and rivaled only by the professionalism of the people who work there. Word of mouth is often the best form of advertising for such a place. However, the place is so good that visitors may not want to share the word for fear it will fill up and they won't be able to get back. Best of luck with your venture and feel free to call upon me if I may be of service to you in the future.

Sincerely,

Robert C. Humphrey
