Subject: OK Hunt

Gang,

Just a note to say, or repeat, I had a great time hunting with all of you. Lots of laughs and lots of bucks. Even one that will live in my nightmares for some time.

I've attached a few images of live deer I took on the Turley Ranch. Thought you might like to see them. I would like some grip-and-grin images from the three of you who were successful and if someone can send me one of the group shots I would appreciate that as well. And Lisa P. (did I just write that?) would you email me a copy of the buck photo you took from your stand?

Thanks to Tony, Lorrie and Sarah for making it such a wonderful four days of hunting. I only wish it could have been a few more days - without the snow, of course. Take care and keep in touch.
