Subject: RE: OK Hunt

To all,

Personally, the hunt at the Turley Ranch goes down as one of my best ever. Having the opportunity to spend time in camp with such a great bunch is something that will be long remembered. I can't recall the last time I laughed so hard.

The hunting was the best I've experienced. And the accommodations provided by Tony and Lori were nothing short of top shelf. The meals provided by Sarah were absolutely superb.

Kevin, you did an excellent job organizing the hunt! Hopefully we get a chance to do it again next year.

For the records, statistically speaking the girls were 1 for 2 on bucks. The guys on the other hand were 2 for 5.

Best wishes to all throughout the holidays!

Sincerely,

Randy Templeton
